

INDEX OF WORLD PHARMACOPOEIAS and PHARMACOPOEIAL AUTHORITIES

The *Index of World Pharmacopoeias and Pharmacopoeial Authorities* has been circulated to national and regional pharmacopoeia secretariats and to pharmacopoeial authorities for their feedback and the data received from them have been used to update the list. Links to online pharmacopoeias have been provided where available. Where no specific links to online pharmacopoeias are available, links to organizations of national or regional pharmacopoeia commissions are listed.

The list is provided for reference purposes only and does not pretend to be complete.

In order to bring this list up-to-date, we would appreciate any additional data you may have. Please address your observations to Ms Sinéad Jones, Norms and Standards for Pharmaceuticals, Technology Standards and Specifications, World Health Organization, CH-1211 Geneva 27, Switzerland, email: jonessi@who.int
